Please submit a complete description and detailed design layout to scale. Add pages as needed. If you are replacing your roof or windows please provide the manufacturer's specifications indicating type, style and color. Mail two copies of this form and design layout to the address above. Upon approval, one copy will be returned to you and the other copy will be kept on record. You may refer to the Covenants and Restrictions at www.Pheasantview.org or email your questions to the Architectural Review Committee. Please note that the 30 day approval/disapproval time found under Article VI, Section 6 will not start until you receive written confirmation from the ARC that full and sufficient drawings have been received. Your project may require other permits. This submittal does not supersede the requirement to secure the appropriate permit(s) through Canton Twp. Check with The Canton Twp. Building Department for details (734-394-5200).
